13. Please comment on the impact this meeting has had on the pupils involved.

11 respuestas

They got motivated and encouraged to participate in projects as well as use their English

this meeting has had on the pupils involved

English language education

It was a very important experience because formative

They were disappointed because the collaborative web 02 tools were difficult for them

they were very glad

They liked it very much.

The meeting motivated students to learn about other cultures and students from other countries. It encouraged them to improve their English language.

Pupils could improve their English and met a lot of new people. It was a great time for them
